

Helping retailers grow

Company Overview

We Help Retailers Turn Oversights Into Insight

One Step Retail Solutions has been servicing the technology needs of specialty retailers since 1985, with offices expanding across two coasts: Los Angeles, Phoenix, and New York.

The company is one of the nation's leading service providers in point of sale / inventory control systems for retailers, with over two decades of experience providing consulting and POS sales, implementation and support.

Specializing in retail point of sale software systems, One Step helps retailers stay ahead of the game, be in control of inventory, and manage their business more profitably – giving retailers the technology choice that fits their individual needs, adapted to the way they do business.

One Step has some of the most knowledgeable and respected retail technology experts in the country. Our highly trained staff includes more than two dozen certified technicians delivering fast, expert and quality support to customers.

We understand your vision and bring it to life to help you achieve and exceed your goals. We are more than your service provider; we are your retail partner.

We know retail,
We know your needs.

One Step Retail Solutions has worked with specialty stores in various industries using Retail Pro. Some industries include:

- Apparel
- Accessories
- Beauty supplies
- Department stores
- Footwear
- Home Furnishings
